Franco-Palestinian creation on May 15, 2025 produced with “Hip Opseession’s festival”.

This choreographic piece will be created by 2 choreographers: Hervé Maigret (France) and Hamza Damra (Palestine). It’s a creation for 5 dancers from different nationalities, which mixes urban dance and contemporary dance.

“Anatomy of Freedom” will be presented on May 15, 2025 during Hip Opseession’s festival at the venue : Capellia ( La Chapelle-sur-Erdre – 44), a tour will follow during autumn 2025 in Pays de la Loire region, and with the strong willingness to present it in Palestine during the summer of 2025 (with the support of the French Institute in Ramallah and Jerusalem).

Period of creation/rehearsal from April 28, 2025 to May 15, 2025 in Nantes and around Nantes.

### The program is composed in 2 parts:

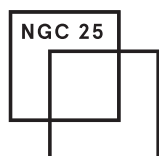

#### *First part: Anatomy of Freedom*

“Anatomy of Freedom” was thought in the current geopolitical context. This creation deals with all freedoms in the most general sense of what they can embody. This choreography mixed hip hop dance from Hamza Damra, who learn it in the Palestinian street of Ramalah, with contemporary dance from Hervé Maigret.

This piece wants to explore the depth of human and highlights the universal fight for life. Anatomy of Freedom talk about the organic side: a carnal and instinctive exploration of bodies, which are committed to the liberation of the living.

#### *Second part: Philo-dance performance: « Body and Freedom”*

Julie Cloarec-Michaud’s philosophic conference including dancers improvisation performance with Hervé Maigret.
